Organized By:

2 (f) by UGC, Approved By NCTE & AICTE, Affiliated to University of Rajasthan

MEHTA COLLEGE

AND INSTITUTE OF TECHNOLOGY

Grand Sikar Road, Harmara, Jaipur | Mob.: 9460144707, 9950288822

www.mehtacollege.com

About the Organizing Institution

Mehta College and Institute of Technology, established in 2010, is a leading institution under the aegis of the Mehta Educational Society. Located in the culturally rich city of Jaipur, the College is affiliated to the University of Rajasthan and recognized by the All-India Council for Technical Education (AICTE) and National Council for Teacher Education (NCTE). It is also recognized under Section 2(f) of the University Grants Commission (UGC), New Delhi, highlighting its compliance with national standards of higher education. The College offers a diverse portfolio of undergraduate and postgraduate programs, including: Undergraduate: B.A., B.Sc., B.Com., B.A.-B.Ed., B.Sc.-B.Ed, B.C.A., B.B.A. Postgraduate: M.A., M.Sc.

With around 2,500 students enrolled, the College provides a stimulating academic environment facilitated by a highly qualified and experienced faculty, committed to research, innovation, and holistic student development.

Academic Excellence and Infrastructure

The College is equipped with modern classrooms, laboratories, computer centers, libraries, and research facilities to support both theoretical and practical learning. Emphasis is placed on multidisciplinary learning, research-driven pedagogy, and skill development, ensuring students are prepared to meet contemporary academic and professional challenges.

Co-Curricular and Community Engagement

- NSS (National Service Scheme) and NCC (National Cadet Corps) units encourage leadership, discipline, and community service.
- Under Unnat Bharat Abhiyan (UBA), the College adopts villages for intervention programs focusing on rural development, sustainable practices, education awareness, and community empowerment.
- Cultural, sports, and intellectual activities are regularly conducted, promoting all-round development.

With a strong focus on academic excellence, research, social responsibility, and holistic development, Mehta College and Institute of Technology continue to nurture competent, socially responsible, and skilled graduates ready to contribute to society and nation-building.

About the Conference

The National Conference on *New Tendencies in Indian Education: Integrating Arts, Science, Commerce and Pedagogy* aim to provide a dynamic academic platform for scholars, researchers, educators, policy-makers, and industry experts to deliberate upon the evolving landscape of Indian education. In the light of transformative reforms introduced through the National Education Policy 2020, Indian education is undergoing a paradigm shift toward multidisciplinary, holistic, skill-oriented, and research-driven learning.

This conference seeks to critically examine emerging academic frameworks, innovative pedagogical practices, and interdisciplinary integrations across Arts, Science, Commerce, and Education. It emphasizes the need for collaborative research, curriculum restructuring, digital transformation, and inclusive educational practices aligned with national development goals. Participants will have the opportunity to present original research, share best practices, and engage in meaningful discussions that promote innovation, critical thinking, and policy-oriented academic discourse.

Conference Scope

The scope of **NTIE-IASCP 2026** encompasses a multidisciplinary exploration of the educational ecosystem in India, with a specific focus on the transformative mandates of the National Education Policy (NEP) 2020.

The conference intends to serve as a platform for:

- **Integrating Knowledge Systems**
- **Policy Evaluation**
- **Technological Synthesis**
- **Stakeholder Synergy**

Conference Objectives

The primary goal of the conference is to catalyse a dialogue on the future of Indian education. The specific objectives are:

- To evaluate the progress and challenges of **NEP 2020** implementation, focusing on institutional restructuring, autonomy, and the functional integration of the **Academic Bank of Credits (ABC)**.
- To showcase innovations in **Digital Pedagogy** and **Outcome-Based Education (OBE)**, emphasizing experiential learning and the integration of vocational skills into mainstream academia.
- To bridge the gap between **Industry and Academia** by discussing multidisciplinary research collaborations, Intellectual Property Rights (IPR), and the role of incubation centres in fostering entrepreneurship.
- To provide insights into enhancing institutional rankings through robust **Internal Quality Assurance Systems (IQAC)** and transparent governance leadership.

Call for Papers

The Organizing Committee invites original research papers, case studies, conceptual papers, and review articles from academicians, researchers, doctoral scholars, and practitioners.

Submission Guidelines:

- Abstract: 250–300 words with keywords
- Full Paper: 3,000–5,000 words
- Format: Times New Roman, 12 pt, 1.5-line spacing
- Referencing Style: APA (latest edition)
- Papers must be original and unpublished
- Selected papers will be published in the conference proceedings with ISBN (subject to review process)

E-mail : principalmcit.jaipur@gmail.com, Mob. No. 9694093489, 9001358358

Major Themes & Sub-Themes

1. Emerging Paradigms in Indian Education

- Transformative reforms under National Education Policy 2020
- Multidisciplinary and holistic education models
- Academic Bank of Credits (ABC) and flexible learning pathways
- Institutional restructuring and autonomy

2. Interdisciplinary Integration in Higher Education

- Blending Arts, Science, and Commerce curricula
- Liberal education and multiple entry exit systems
- Outcome-Based Education (OBE) frameworks
- Research-driven teaching and learning

3. Innovations in Pedagogy and Curriculum Design

- Experiential and competency-based learning
- Digital pedagogy and hybrid learning environments
- Skill-based and vocational integration
- Inclusive and learner-centered teaching practices

4. Technology, AI and Digital Transformation in Education

- Artificial Intelligence in teaching - learning processes
- MOOCs, SWAYAM, and virtual laboratories
- E-content development and ICT-enabled classrooms
- Data analytics in educational assessment

5. Research, Innovation and Knowledge Economy

- Multidisciplinary research collaborations
- Industry-academia partnerships
- Start-ups, incubation, and entrepreneurship education
- Intellectual Property Rights (IPR) and innovation ecosystems

6. Quality Assurance and Accreditation

- NAAC and NIRF frameworks
- Internal Quality Assurance Systems (IQAC)
- Academic audits and institutional ranking
- Governance and leadership in higher education

7. Equity, Ethics and Inclusivity in Education

- Gender equity and social inclusion
- Education for rural and marginalized communities
- Environmental education and sustainable development
- Value-based and ethical education

8. Commerce and Skill Development in Contemporary India

- Financial literacy and digital economy education
- Industry-relevant curriculum reforms
- Employability skills and capacity building
- Entrepreneurship and selfreliance initiatives

Important Dates

- Registration Date : 31 March 2k26
- Abstract Submission Deadline : 31 March 2k26
- Full Paper Submission : 1 April 2k26
- Conference Dates : 10 & 11 April 2k26
